PLANET NATION

SHARE YOUR EVENTS & NEWS

Planet Nation was formed in 2016 following 5 successful years of running Planet London, which was founded in 2011. Planet Nation stands for: support, promotion and focus on the lesbian, bisexual and queer (LBO) community through forming collaborative partnerships with LGBT community organisations and ally organisations to support a thriving and diverse LGBT community.

We are a trusted, reliable source within the community, yet there is a lot more we can do – and we want to! By increasing our collaborations and building a more cohesive network we can further support all areas of the LBO community.

Why share your events and releases with Planet Nation

We publish any content that is relevant to LBO women. We don't have article limits and as long as it isn't purposefully written or designed to upset or alienate a large proportion of the community in a negative or offensive way, we will publish it.
